

2025 Homeschool Family Expo Exhibitor Information

The Homeschool Family Expo is an annual resource fair for current and prospective home educators. It connects curriculum, resource, and service providers with interested homeschooling families in a live, in-person format. Many homeschoolers have a strong desire to engage with and ask questions about the materials and services offered by various companies and organizations prior to committing time and funding. This event offers the opportunity to connect with families as they begin to make curriculum and program decisions for the upcoming school year.

The Homeschool Family Expo is an inclusive event that is supportive of all homeschooling styles and philosophies. Secular, neutral, and religious homeschool resources are all encouraged to participate. Discriminatory, offensive, or inappropriate exhibitors will not be permitted (as determined by event producer Texas Home Educators).
